SERVING KARACHI SINCE 2017

Charity efforts that are for happiness

At SM Welfare Charity we believe true happiness lies in giving, especially to those who need it most. Our mission is rooted in compassion and our vision is a society where no one is left behind.

Our mission

To be a ray of light in education, healthcare, employment and social welfare for people who fight each day just to survive.

Our vision

A society where no one is left behind — where every family can live with dignity, confidence and independence.

Our promise

Transparency, integrity and consistent effort. Donations are tracked, reported and spent where they were pledged.

OUR STORY

Grassroots work, measured in real families

With your support we provide food to the hungry, sponsor education for orphaned children, offer free medical aid and install clean water systems in remote communities across Pakistan. We work at the grassroots level in Orangi Town, creating sustainable change that lets families become self-reliant rather than dependent.

SM Welfare Trust is one of the most reputable non-profit welfare organisations in Pakistan, dedicated to social development and relief for low-income groups since 2017.
